#### § 5103A. Duty to assist claimants

(a) **DUTY TO ASSIST.**—(1) The Secretary shall make reasonable efforts to assist a claimant in obtaining evidence necessary to substantiate the claimant’s claim for a benefit under a law administered by the Secretary.

(2) The Secretary is not required to provide assistance to a claimant under this section if no reasonable possibility exists that such assistance would aid in substantiating the claim.

(3) The Secretary may defer providing assistance under this section pending the submission by the claimant of essential information missing from the claimant’s application.

(b) **ASSISTANCE IN OBTAINING RECORDS.**—(1) As part of the assistance provided under subsection (a), the Secretary shall make reasonable efforts to obtain relevant records (including private records) that the claimant adequately identifies to the Secretary and authorizes the Secretary to obtain.

(2) Whenever the Secretary, after making such reasonable efforts, is unable to obtain all of the relevant records sought, the Secretary shall notify the claimant that the Secretary is unable to obtain records with respect to the claim. Such a notification shall—

(A) identify the records the Secretary is unable to obtain;

(B) briefly explain the efforts that the Secretary made to obtain those records; and

(C) describe any further action to be taken by the Secretary with respect to the claim.

(3) Whenever the Secretary attempts to obtain records from a Federal department or agency under this subsection or subsection (c), the efforts to obtain those records shall continue until the records are obtained unless it is reasonably certain that such records do not exist or that further efforts to obtain those records would be futile.

(c) **OBTAINING RECORDS FOR COMPENSATION CLAIMS.**—In the case of a claim for disability compensation, the assistance provided by the Secretary under subsection (b) shall include obtaining the following records if relevant to the claim:

(1) The claimant's service medical records and, if the claimant has furnished the Secretary information sufficient to locate such records, other relevant records pertaining to the claimant's active military, naval, or air service that are held or maintained by a governmental entity.

(d) **MEDICAL EXAMINATIONS FOR COMPENSATION CLAIMS.**—(1) In the case of a claim for disability compensation, the assistance provided by the Secretary under subsection (a) shall include providing a medical examination or obtaining a medical opinion when such an examination or opinion is necessary to make a decision on the claim.

(2) The Secretary shall treat an examination or opinion as being necessary to make a decision on a claim for purposes of paragraph (1) if the evidence of record before the Secretary, taking into consideration all information and lay or medical evidence (including statements of the claimant)—

(A) contains competent evidence that the claimant has a current disability, or persistent or recurrent symptoms of disability; and

(B) indicates that the disability or symptoms may be associated with the claimant's active military, naval, or air service; but

(C) does not contain sufficient medical evidence for the Secretary to make a decision on the claim.

(e) **REGULATIONS.**—The Secretary shall prescribe regulations to carry out this section.

(f) **RULE WITH RESPECT TO DISALLOWED CLAIMS.**—Nothing in this section shall be construed to require the Secretary to reopen a claim that has been disallowed except when new and material evidence is presented or secured, as described in section 5108 of this title.

(g) **OTHER ASSISTANCE NOT PRECLUDED.**—Nothing in this section shall be construed as precluding the Secretary from providing such other assistance under subsection (a) to a claimant in substantiating a claim as the Secretary considers appropriate.

**§ 5301. Nonassignability and exempt status of benefits**

(a)(1) Payments of benefits due or to become due under any law administered by the Secretary shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to claims of the United States arising under such laws nor shall the exemption therein contained as to taxation extend to any property purchased in part or wholly out of such payments. The provisions of this section shall not be construed to prohibit the assignment of insurance otherwise authorized under chapter 19 of this title, or of servicemen's indemnity.

(2) For the purposes of this subsection, in any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee's address for the purpose of receiving a benefit check and has also executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(3)(A) This paragraph is intended to clarify that, in any case where a beneficiary entitled to compensation, pension, or dependency and indemnity compensation enters into an agreement with another person under which agreement such other person acquires for consideration the right to receive such benefit by payment of such compensation, pension, or dependency and indemnity compensation, as the case may be, except as provided in subparagraph (B), and including deposit into a joint account from which such other person may make withdrawals, or otherwise, such agreement shall be deemed to be an assignment and is prohibited.

(B) Notwithstanding subparagraph (A), nothing in this paragraph is intended to prohibit a

loan involving a beneficiary under the terms of which the beneficiary may use the benefit to repay such other person as long as each of the periodic payments made to repay such other person is separately and voluntarily executed by the beneficiary or is made by preauthorized electronic funds transfer pursuant to the Electronic Funds Transfers Act (15 U.S.C. 1693 et seq.).

(C) Any agreement or arrangement for collateral for security for an agreement that is prohibited under subparagraph (A) is also prohibited and is void from its inception.

(b) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Secretary and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or the beneficiary's estate; or (2) any beneficiary or the beneficiary's estate except amounts due the United States by such beneficiary or the beneficiary's estate by reason of overpayments or illegal payments made under such laws to such beneficiary or the beneficiary's estate or to the beneficiary's dependents as such. If the benefits referred to in the preceding sentence are insurance payable by reason of yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance issued by the United States, the exemption provided in this section shall not apply to indebtedness existing against the particular insurance contract upon the maturity of which the claim is based, whether such indebtedness is in the form of liens to secure unpaid premiums or loans, or interest on such premiums or loans, or indebtedness arising from overpayments of dividends, refunds, loans, or other insurance benefits.

(c)(1) Notwithstanding any other provision of this section, the Secretary may, after receiving a request under paragraph (2) of this subsection relating to a veteran, collect by offset of any compensation or pension payable to the veteran under laws administered by the Secretary the uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan prescribed in chapter 73 of title 10.

(2) If the Secretary concerned (as defined in section 101(5) of title 37) has tried under section 3711(a) of title 31 to collect an amount described in paragraph (1) of this subsection in the case of any veteran, has been unable to collect such amount, and has determined that the uncollected portion of such amount is not collectible from amounts payable by that Secretary to the veteran or that the veteran is not receiving any payment from that Secretary, that Secretary may request the Secretary to make collections in the case of such veteran as authorized in paragraph (1) of this subsection.

(3)(A) A collection authorized by paragraph (1) of this subsection shall be conducted in accordance with the procedures prescribed in section 3716 of title 31 for administrative offset collections made after attempts to collect claims under section 3711(a) of such title.

(B) For the purposes of subparagraph (A) of this paragraph, as used in the second sentence of section 3716(a) of title 31—

(i) the term "records of the agency" shall be considered to refer to the records of the department of the Secretary concerned; and

(ii) the term "agency" in clauses (3) and (4) shall be considered to refer to such department.

(4) Funds collected under this subsection shall be credited to the Department of Defense Military Retirement Fund under chapter 74 of title 10 or to the Retired Pay Account of the Coast Guard, as appropriate.

(d) Notwithstanding subsection (a) of this section, payments of benefits under laws administered by the Secretary shall not be exempt from levy under subchapter D of chapter 64 of the Internal Revenue Code of 1986 (26 U.S.C. 6331 et seq.).

(e) In the case of a person who—

(1) has been determined to be eligible to receive pension or compensation under laws administered by the Secretary but for the receipt by such person of pay pursuant to any provision of law providing retired or retirement pay to members or former members of the Armed Forces or commissioned officers of the National Oceanic and Atmospheric Administration or of the Public Health Service; and

(2) files a waiver of such pay in accordance with section 5305 of this title in the amount of such pension or compensation before the end of the one-year period beginning on the date such person is notified by the Secretary of such person's eligibility for such pension or compensation,

the retired or retirement pay of such person shall be exempt from taxation, as provided in subsection (a) of this section, in an amount equal to the amount of pension or compensation which would have been paid to such person but for the receipt by such person of such pay.

any such person on the ground that such person was a conscientious objector who refused to perform military duty or refused to wear the uniform or otherwise to comply with lawful orders of competent military authority, or as a deserter, or on the basis of an absence without authority from active duty for a continuous period of at least one hundred and eighty days if such person was discharged under conditions other than honorable unless such person demonstrates to the satisfaction of the Secretary that there are compelling circumstances to warrant such prolonged unauthorized absence, or of an officer by the acceptance of such officer's resignation for the good of the service, or (except as provided in subsection (c)) the discharge of any individual during a period of hostilities as an alien, shall bar all rights of such person under laws administered by the Secretary based upon the period of service from which discharged or dismissed, notwithstanding any action subsequent to the date of such discharge by a board established pursuant to section 1553 of title 10.

#### § 5502. Payments to and supervision of fiduciaries

(a)(1) Where it appears to the Secretary that the interest of the beneficiary would be served thereby, payment of benefits under any law administered by the Secretary may be made directly to the beneficiary or to a relative or some other fiduciary for the use and benefit of the beneficiary, regardless of any legal disability on the part of the beneficiary. Where, in the opin-

ion of the Secretary, any fiduciary receiving funds on behalf of a Department beneficiary is acting in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the beneficiaries, the Secretary may refuse to make future payments in such cases as the Secretary may deem proper.

(2) In a case in which the Secretary determines that a commission is necessary in order to obtain the services of a fiduciary in the best interests of a beneficiary, the Secretary may authorize a fiduciary appointed by the Secretary to obtain from the beneficiary's estate a reasonable commission for fiduciary services rendered, but the commission for any year may not exceed 4 percent of the monetary benefits under laws administered by the Secretary paid on behalf of the beneficiary to the fiduciary during such year. A commission may not be authorized for a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services for benefits under this title on behalf of the beneficiary.

(b) Whenever it appears that any fiduciary, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such fiduciary or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may appear, by the Secretary's authorized attorney, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Secretary, in the Secretary's discretion, may suspend payments to any such fiduciary who shall neglect or refuse, after reasonable notice, to render an account to the Secretary from time to time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary's duly authorized attorney in any court as an interested party in any litigation instituted by the Secretary or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable under laws administered by the Secretary or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such benefits by such fiduciaries, or in connection with any other court proceeding hereby authorized, when such payment is authorized by the Secretary.

(d) All or any part of any benefits the payment of which is suspended or withheld under this sec-

tion may, in the discretion of the Secretary, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is a patient nor apportioned to the veteran's dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Secretary for the benefit of such beneficiary or the beneficiary's dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to the beneficiary if the beneficiary recovers and is found competent, or if a minor, attains majority, or otherwise to the beneficiary's fiduciary, or, in the event of the beneficiary's death, to the beneficiary's personal representative, except as otherwise provided by law; however, payment will not be made to the beneficiary's personal representative if, under the law of the beneficiary's last legal residence, the beneficiary's estate would escheat to the State. In the event of the death of a mentally incompetent or insane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. If any balance remains, such balance shall be deposited to the credit of the applicable current appropriation; except that there may be paid only so much of such balance as may be necessary to reimburse a person (other than a political subdivision of the United States) who bore the expenses of last sickness or burial of the veteran for such expenses. No payment shall be made under the two preceding sentences of this subsection unless claim therefor is filed with the Secretary within five years after the death of the veteran, except that, if any person so entitled under said two sentences is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(e) Any funds in the hands of a fiduciary appointed by a State court or the Secretary derived from benefits payable under laws administered by the Secretary, which under the law of the State wherein the beneficiary had last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such fiduciary, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Department, and shall be deposited to the credit of the applicable revolving fund, trust fund, or appropriation.

#### EFFECTIVE DATE OF 1959 AMENDMENT

Section 3 of Pub. L. 86-146 provided that: "The amendments made by this Act [amending this section and section 3203 [now 5503] of this title] shall take effect as of the first day of the first calendar month which begins more than ninety days after the date of enactment of this Act [Aug. 7, 1959]."

### § 5503. Hospitalized veterans and estates of incompetent institutionalized veterans

(a)(1)(A) Where any veteran having neither spouse nor child is being furnished domiciliary care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(B) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished nursing home care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care. Any amount in excess of \$90 per month to which the veteran would be entitled but for the application of the preceding sentence shall be deposited in a revolving fund at the Department medical facility which furnished the veteran nursing care, and such amount shall be available for obligation without fiscal year limitation to help defray operating expenses of that facility.

(C) No pension in excess of \$90 per month shall be paid to or for a veteran having neither spouse nor child for any period after the month in which such veteran is readmitted for care described in subparagraph (A) or (B) of this paragraph and furnished by the Department if such veteran is readmitted within six months of a period of care in connection with which pension was reduced pursuant to subparagraph (A) or (B) of this paragraph.

(D) In the case of a veteran being furnished nursing home care by the Department and with respect to whom subparagraph (B) of this paragraph requires a reduction in pension, such reduction shall not be made for a period of up to three additional calendar months after the last day of the third month referred to in such subparagraph if the Secretary determines that the primary purpose for the furnishing of such care during such additional period is for the Department to provide such veteran with a prescribed program of rehabilitation services, under chapter 17 of this title, designed to restore such veteran's ability to function within such veteran's

family and community. If the Secretary determines that it is necessary, after such period, for the veteran to continue such program of rehabilitation services in order to achieve the purposes of such program and that the primary purpose of furnishing nursing home care to the veteran continues to be the provision of such program to the veteran, the reduction in pension required by subparagraph (B) of this paragraph shall not be made for the number of calendar months that the Secretary determines is necessary for the veteran to achieve the purposes of such program.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a spouse but whose pension is payable under section 1521(b) of this title. In such a case, the Secretary may apportion and pay to the spouse, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to the veteran if pension were payable under section 1521(c) of this title.

(b) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which the veteran is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

(c) Where any veteran in receipt of an aid and attendance allowance described in section 1114(r) of this title is hospitalized at Government expense, such allowance shall be discontinued from the first day of the second calendar month which begins after the date of the veteran's admission for such hospitalization for so long as such hospitalization continues. Any discontinuance required by administrative regulation, during hospitalization of a veteran by the Department, of increased pension based on need of regular aid and attendance or additional compensation based on need of regular aid and attendance as described in subsection (l) or (m) of section 1114 of this title, shall not be effective earlier than the first day of the second calendar month which begins after the date of the veterans' admission for hospitalization. In case a veteran affected by this subsection leaves a hospital against medical advice and is thereafter admitted to hospitalization within six months from the date of such departure, such allowance, increased pension, or additional compensation, as the case may be, shall be discontinued from the date of such readmission for so long as such hospitalization continues.

(d)(1) For the purposes of this subsection—

(A) the term "Medicaid plan" means a State plan for medical assistance referred to in section 1902(a) of the Social Security Act (42 U.S.C. 1396a(a)); and

(B) the term "nursing facility" means a nursing facility described in section 1919 of such Act (42 U.S.C. 1396r), other than a facility that is a State home with respect to which the Secretary makes per diem payments for nursing home care pursuant to section 1741(a) of this title.

(2) If a veteran having neither spouse nor child is covered by a Medicaid plan for services fur-

nished such veteran by a nursing facility, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the month of admission to such nursing facility.

(3) Notwithstanding any provision of title XIX of the Social Security Act, the amount of the payment paid a nursing facility pursuant to a Medicaid plan for services furnished a veteran may not be reduced by any amount of pension permitted to be paid such veteran under paragraph (2) of this subsection.

(4) A veteran is not liable to the United States for any payment of pension in excess of the amount permitted under this subsection that is paid to or for the veteran by reason of the inability or failure of the Secretary to reduce the veteran's pension under this subsection unless such inability or failure is the result of a willful concealment by the veteran of information necessary to make a reduction in pension under this subsection.

(5) The provisions of this subsection shall apply with respect to a surviving spouse having no child in the same manner as they apply to a veteran having neither spouse nor child.

(6) The costs of administering this subsection shall be paid for from amounts available to the Department of Veterans Affairs for the payment of compensation and pension.

(7) This subsection expires on September 30, 2011.

“(B) The amount which would be payable but for this paragraph shall be paid to the veteran in a lump sum; however, no payment of a lump sum herein authorized shall be made to the veteran until after the expiration of six months following a finding of competency and in the event of the veterans' death before payment of such lump sum no part thereof shall be payable.

“(C) The Secretary may waive the discontinuance under this paragraph of payments to a veteran with respect to not more than 60 days of care of the veteran during any calendar year if the Secretary determines that the waiver is necessary in order to avoid a hardship for the veteran. Any such waiver shall be made pursuant to regulations which the Secretary shall prescribe.

Paragraph (1) of this subsection shall not prevent the payment, out of any remaining amounts discontinued under that paragraph, on account of any veteran of so much of the veteran's pension, compensation, or retirement pay as equals the amount charged to the veteran for the veteran's current care and maintenance in the institution in which treatment or care is furnished the veteran, but not more than the amount determined by the Secretary to be the proper charge as fixed by any applicable statute or valid administrative regulation.

“(3) All or any part of the pension, compensation, or retirement pay payable on account of any incompetent veteran who is being furnished hospital treatment, institutional or domiciliary care may, in the discretion of the Secretary, be paid to the chief officer of the institution wherein the veteran is being furnished such treatment or care, to be properly accounted for by such chief officer and to be used for the benefit of the veteran.

“(c) Any veteran subject to the provisions of subsection (b) shall be deemed to be single and without dependents in the absence of satisfactory evidence to the contrary. In no event shall increased compensation, pension, or retirement pay of such veteran be granted for any period more than one year before receipt of satisfactory evidence showing such veteran has a spouse, child, or dependent parent.”

Before releasing any information under this paragraph, the Secretary shall, under such regulations, take reasonable steps to provide for the protection of the personal privacy of persons about whom information is proposed to be released under this paragraph.

(B) After release of any information under subparagraph (A) of this paragraph concerning the indebtedness of any person, the Secretary shall promptly notify—

(i) each consumer reporting agency to which such information has been released by the Secretary; and

(D) providing assistance to any applicant for benefits under chapter 37 of this title or administering such benefits if the Secretary promptly records the fact of such release in appropriate records pertaining to the person concerning whom such release was made.

(i)(1) No contract entered into for any of the purposes of subsection (g) or (h) of this section, and no action taken pursuant to any such contract or either such subsection, shall result in the application of section 552a of title 5 to any consumer reporting agency or any employee of a consumer reporting agency.

(2) The Secretary shall prescribe in regulations (consistent with the Model Rules of Professional Conduct of the American Bar Association) qualifications and standards of conduct for individuals recognized under this section, including a requirement that, as a condition of being so recognized, an individual must—

(A) show that such individual is of good moral character and in good repute, is qualified to render claimants valuable service, and

is otherwise competent to assist claimants in presenting claims;

(B) have such level of experience or specialized training as the Secretary shall specify; and

(C) certify to the Secretary that the individual has satisfied any qualifications and standards prescribed by the Secretary under this section.

(3) The Secretary shall prescribe in regulations requirements that each agent or attorney recognized under this section provide annually to the Secretary information about any court, bar, or Federal or State agency to which such agent or attorney is admitted to practice or otherwise authorized to appear, any relevant identification number or numbers, and a certification by such agent or attorney that such agent or attorney is in good standing in every jurisdiction where the agent or attorney is admitted to practice or otherwise authorized to appear.

(4) The Secretary may not recognize an individual as an agent or attorney under paragraph (1) if such individual has been suspended or disbarred by any court, bar, or Federal or State agency to which the individual was previously admitted to practice and has not been subsequently reinstated.

(5) The Secretary may prescribe in regulations reasonable restrictions on the amount of fees that an agent or attorney may charge a claimant for services rendered in the preparation, presentation, and prosecution of a claim before the Department. A fee that does not exceed 20 percent of the past due amount of benefits awarded on a claim shall be presumed to be reasonable.

(6)(A) The Secretary may charge and collect an assessment from an individual recognized as an agent or attorney under this section in any case in which the Secretary pays to the agent or attorney, from past-due benefits owed to a claimant represented by the agent or attorney, an amount as a fee in accordance with a fee arrangement between the claimant and the agent or attorney.

(E) Amounts collected under this paragraph shall be deposited in the account available for administrative expenses for veterans' benefits programs. Amounts so deposited shall be merged with amounts in such account and shall be available for the same purpose, and subject to the same conditions and limitations, as amounts otherwise in such account.

(b) SUSPENSION OF AGENTS AND ATTORNEYS.—The Secretary, after notice and opportunity for a hearing, may suspend or exclude from further practice before the Department any agent or attorney recognized under this section if the Secretary finds that such agent or attorney—

The limitation in the preceding sentence does not apply to fees charged, allowed, or paid for services provided with respect to proceedings before a court.

(C) If the Secretary under subsection (b) suspends or excludes from further practice before the Department any agent or attorney who collects or receives a fee in excess of the amount authorized under this section, the suspension shall continue until the agent or attorney makes full restitution to each claimant from whom the agent or attorney collected or re-

ceived an excessive fee. If the agent or attorney makes such restitution, the Secretary may reinstate such agent or attorney under such rules as the Secretary may prescribe.

(4) A reasonable fee may be charged or paid in connection with any proceeding before the Department in a case arising out of a loan made, guaranteed, or insured under chapter 37 of this title. (i) is to be paid to the agent or attorney by the Secretary directly from any past-due benefits awarded on the basis of the claim; and

(ii) is contingent on whether or not the matter is resolved in a manner favorable to the claimant.

(B) For purposes of subparagraph (A), a claim shall be considered to have been resolved in a manner favorable to the claimant if all or any part of the relief sought is granted.

(3) To the extent that past-due benefits are awarded in any proceeding before the Secretary, the Board of Veterans' Appeals, or the United States Court of Appeals for Veterans Claims, the Secretary may direct that payment of any fee to an agent or attorney under a fee arrangement described in paragraph (1) be made out of such past-due benefits. In no event may the Secretary withhold for the purpose of such payment any portion of benefits payable for a period after the date of the final decision of the Secretary, the Board of Veterans' Appeals, or Court of Appeals for Veterans Claims making (or ordering the making of) the award.
